Product Description

Houston, we have a Dolphin! - Board game, for 3-5 players (DE/EN edition).

An anchovy in the floppy disk drive? That can only mean one thing ... Houston, we have a Dolphin!

Werewolves were yesterday! Fewer players, more possibilities! Combine the skills of your astronauts and send them on dangerous away missions to repair the sabotaged spaceship. But some of you are secretly fighting on the side of the sneaky dolphins! Lay hands and fins on them! Watch out, they're fighting back!

Use your Panic Stones to overthrow the Captain and take power over the spaceship - Do you trust your friends or send them into the infinite Void?

A game with hidden roles, a smart app as moderator and way too much panic!

Attention.Prerequisites: Android 7 or newer / iOS 12 or newer, front camera. Some functions require an internet connection.

Attention!Not suitable for children under 36 months!

- Age: from 14 years
