Product Description

Pre-painted scenery - Urbes Mortis Combined Cityscape.

Buildings have no interior detail but can be combined with the other Urbes Mortis buildings to create a larger cityscape. Roof terraces can be removed to add the centre section extension kit to add height to a building, or added to the base section to build a 3rd building. Magnetic points are located between the buildings to attach bridges and balconies. The Urbes Mortis ruins can be built in several different configurations. The base has markings for the walls and columns.

The miniatures are not included and are for scale purposes only.

Caution. Not suitable for children under 36 months.

- This kit contains a one-storey building, a two-storey building, a middle section extension, a ground/roof terrace, four bridges and several different ruin parts
- The set includes magnets, stained glass windows and building debris to scatter. Dimensions: Building - 400 mm x 480 mm x 278 mm, Ruins - 440 mm x 320 mm x 118 mm
