Product Description

Pre-painted scenery - Urbes Mortis Ruined Cityscape

The ruins of Urbes Mortis can be built in several different configurations. The base has markings for the walls and columns, so the same kit can be built to look different from the next, and can even be joined to another for larger complexes. Parts of the floor can be cut away to change the layout of the buildings and there are several areas where extra damage can be inflicted.

The miniatures are not included and are for scale purposes only.

Caution. Not suitable for children under 36 months.

- Kits come with optional stained glass windows and rubble for scattering
- Dimensions: 720 mm x 640 mm x 118 mm
