Product Description

Codenames Duet - Quiz game, for 2 and more players, from 11 years (DE edition).

The hit for 2 players and teams! You and your partner are on a secret mission in a big city. Your goal: make contact with 15 agents, but avoid the enemy assassins.

You know the agents your partner can contact safely. Your partner knows the agents you can safely contact. By giving each other one-word clues that match several words on the game table, you try to find all the agents before time runs out.

The game is stand-alone, so you don't need another edition of Codenames to play it. If you want, you can use the word or picture cards from the other games for Codenames Duet.

Tip: CodenamesDuet is great fun not only as a game for 2 players but also in teams!

Attention! Not suitable for children under 36 months!

- Age: from 11 years
- Number of players: 2+
- Game duration: 15 minutes
