Product Description

Timeland, board game, for 1-4 players, from 8 years (DE/EN/FR edition)

As intrepid adventurers, you join an expedition team to find the island of Taluva. Upon your arrival on the uninhabited island, you discover 5 temples full of riches ...

Your goal: find four treasures and restore the sacred tablet before the lava devours the last ruins!

Take up the challenge! Communication between players is limited to the restricted use of your walkie-talkies, while the various risks take up a large part of your time. The only way to victory: good communication and cooperation.

Caution! Not suitable for children under 36 months!

- Age: from 8 years
- Number: for 1-4 players
- Duration: approx. 40 minutes
