From goblin to giant, from small to huge - on a total of five Feldherr foam inserts you have enough space for your collection. Up to 92 miniatures find a new home here. Embedded in high-quality, soft foam, the sensitive parts of your figures are reliably protected from damage. The colors of the painted miniatures are just as safe from abrasion and scratches.

The comfortable MAXI PLUS bag is made of particularly hard-wearing material. In addition, padded side panels and a reinforced bottom ensure that all miniatures are optimally protected on the way. Besides the large main compartment, the bag also has a smaller pocket with a zipper at the front. Here you can easily stow booklets, writing material and other accessories.

On the upper side there is a rubberized, handy carrying handle. If you prefer to have your hands free, you can also use the bag as a comfortable shoulder bag thanks to the wear-resistant, detachable shoulder strap.

The 75mm high insert is ideal for most WizKids D&D miniatures in Small, Medium and Large sizes. Of course the Dungeons and Dragons figures in 25/28 mm scale from other manufacturers (e.g. Reaper, GF9) are also padded softly here.

The 15 compartments have the following dimensions:

- 2 compartments: 92 mm long x 75 mm wide x 65 mm deep
- 4 compartments: 50 mm long x 50 mm wide x 65 mm deep
- 8 compartments: 33 mm long x 28 mm wide x 65 mm deep
- 1 compartment: 32 mm long x 25 mm wide x 65 mm deep

The insert with 12 compartments is ideal for D&D miniatures in the sizes Small and Medium.

Each of the 12 compartments is 54 mm long x 41 mm wide x 30 mm deep.

The 18 compartments of the HS035BF01BO have the following dimensions:

- 12 compartments: 54 mm long x 35 mm wide x 25 mm deep
- 6 compartments: 27 mm long x 35 mm wide x 25 mm deep

For figures in the sizes Large and Huge the set includes the FSMEPS100BO.

The 11 compartments have the following dimensions:

- 8 compartments: 71 mm long x 70 mm wide x 90 mm deep
- 3 compartments: 98 mm long x 85 mm wide x 90 mm deep

Last but not least you get a tray for up to 36 DnD models in Tiny, Small and Medium.

Each of the 36 compartments is 50 mm long x 25 mm wide x 25 mm deep.
The included foam topper closes the case and makes sure that the miniatures in the upper insert are also ready for the next adventure.
