Product Description

FH61068 - Organizer + foam tray for Gloomhaven: Jaws of the Lion, board game box

You no longer know whether you've answered the call of adventure or money. You're part of the mercenary force known as the "Jaws of the Lion" from Gloomhaven. Instead of glory, you fight every day for survival.

As if life as a mercenary wasn't hard enough, you're also supposed to keep track of more than 800 game pieces. To help you do that, Feldherr will take care of the organization in your game box and on the game table.

The set fits into the original board game box of "Gloomhaven: Jaws of the Lion" by Cephalofair Games. It provides space for all miniatures and the game material from "Gloomhaven: Jaws of the Lion".

Includes seven token holders, three plastic card holders, as well as one foam tray.

All your cards fit even with protective sleeves.

The set adapts to your progress. You can keep your miniatures hidden in the small tuck boxes or present the painted figures in the foam insert.

The large tuck boxes remain in the box with contents.

Learn to Play Guide, Scenario Book, Supplementary Scenario Book, Rules Glossary, City Map Board, Card Divider, and Sticker Sheet are stored separately on the foam topper.

No assembly required. All parts are ready to use immediately.

This gaming solution makes your life as a mercenary easier. Distribute the token holders on the table and you can start right away.

To give you the longest possible enjoyment of the unlocked miniatures, the set comes with a custom foam insert. Here, the painted figures are also reasonably housed. The soft foam reliably prevents filigree parts from breaking off or scratches and chipping paint from disfiguring your colored miniatures.

The set includes:

- 1 foam tray (FFMEZX025BO)
- 3 plastic Monster trays, stackable, with lid
- 1 plastic Proudfoot tray
- 1 plastic Dial tray
- 1 plastic Hazard tray
- 1 plastic Status tray
- 3 plastic card holders
- 1 foam mat, 10 mm, as foam base (FFBA010)
- 1 foam topper, 4 mm, as cover for the tray (FFBA004)
- 1 foam topper
- Fine-pored foam – Made in Germany, chlorine and acid-free
- Thermosoftening plastic
- Ready to use - no assembly required
- 3D printed in Germany

As with all 3D-printed models, minor imperfections may occur. The product images are only examples of how the finished product may look. Colors may vary. All products are delivered unpainted.
