Product Description

Sword & Sorcery: The Old Chronicles - Archfiends, for 1-5 players, from 13 years (EN expansion)

The expansion Sword & Sorcery: The Old Chronicles - Archfiends contains ten new and unique archfiends that mirror the classes and heroes from the base game Sword & Sorcery - The Old Chronicles. In addition, a new enemy can be summoned, the White Tiger, who fights alongside the Archfiends. The new enemies can be integrated into the game through various options.

Also included in this expansion are friendship skill cards. When two heroes form a friendship, it awakens new abilities in them. The shared experience creates a friendship - or love - that is stronger than death!

A base game of Sword & Sorcery: The Ancient Chronicles is required to play the expansion.
