Product Description

Cascadia, In the Heart of Nature - Board Game, for 1-4 players, from 10 years (DE edition)

Welcome to Cascadia! Here, in the Northwest of America, animals feel at home: buzzards circle in the skies, bears appear in pairs, deer set off on their migration and foxes roam. And of course, salmon are not to be missed. On their river migrations they cross vast landscapes. 1-4 players aged 10 and over keep an eye on all the wild animals and add a new wilderness tile to their landscape on their turn. The different scoring cards determine how the animals should be placed. Bonus points are awarded for the largest contiguous areas in each landscape type. Thanks to the easy access, start the game right away and create a new home for many animals - with a little luck and the right tactics. A varied family game and a suitable gift for fans of laying games as well as nature lovers - can also be played alone with the solo game variant.

- Number of people: For 1 to 4 players aged 10 and over
- Game duration: 30 to 60 minutes
