Product Description

Isle of Skye Big Box, board game, 2-5 players, ages 8+.

Soft sandy beaches, rolling hills, imposing mountain ranges: The impressive landscape overwhelms everyone. But centuries before, things were not quite so peaceful: five clans competed for supremacy. Each tried to snatch the best areas from the others and get rid of their own disagreeable areas for a lot of money.

Get the full load of the modern classic tile-laying game with the Isle of Skye Big Box! The Big Box contains the award-winning Isle of Skye base game (Kennerspiel des Jahres 2016), the Druids expansion and additional scoring and tunnel tiles. The mini-expansion Randgebiete is a new addition.

In the game, you represent one leader of each of the five traditional Scottish clans. You create your own small empire in order to gain the necessary victory points. But in each game, only four of the included 24 score cards are in play. This makes each game different and requires different tactics and strategies. In each round, you can buy one of the tiles from a fellow player. Face down, all players simultaneously set the prices of the pieces they offer. A high price can lead to prosperity and much-needed money. However, if no buyer can be found, the offerer must add the tile to his empire himself and hand over the money he has invested. In the end, the player who has scored the most victory points wins.

Attention! Not suitable for children under 36 months!
