Product Description

Star Wars: Legion – Din Djarin & Grogu, board game, for 2 players, from 14 years (DE expansion)

The Din Djarin & Grogu expansion pack introduces two iconic characters from The Mandalorian series to the world of Star Wars™: Legion: the talented bounty hunter "Mando" and his companion, the Force-sensitive foundling Grogu. Thanks to the Mandalorian's martial bounty hunting skills and the foundling's strong connection to the Force, the two form an unusual duo that can complement the armies of the Rebel Alliance and Galactic Empire factions as mercenaries.

The Mandalorian, also known as Din Djarin, lost his parents as a child in an attack by Separatist battle droids. He was raised by the Children of the Watch, a group of Mandalorians, and grew into a skilled bounty hunter. Later, the Mandalorian joined the Bounty Hunter's Guild, took a job and found Grogu, a foundling who has a strong connection to the Force. Now both bounty hunters and the remnants of the Empire are after the unlikely duo as they roam the galaxy together.
