Product Description

Massive Darkness 2: Höllenpforte, board game, for 1-6 players, ages 14+ (DE expansion)

The enemy expansion Hell's Gate for Massive Darkness 2: Höllenpforte contains the game material for two new hordes, Living Statues and Shadow Demons, including leaders and minion miniatures, as well as for a new Wandering Monster, Cerberus, along with its miniature. While the rock-hard shell of the Living Statues is almost impossible to penetrate, the Shadow Demons almost merge with the shadows to attack their enemies from there. Cerberus himself is a ferocious, savage beast, filled with hellfire and thus possessing almost infinite energy to hunt his prey.

The base game Massive Darkness 2: Höllenschlund is required to play this expansion.
