Product Description

Massive Darkness 2: Feenvolk, board game, for 1-6 players, from 14 years (DE expansion).

The enemy expansion Feenvolk for the dungeon crawler Massive Darkness 2: Höllenschlund contains the game material for two new hordes, Harpies and Sinister Fairies, including leaders and minion miniatures, as well as for a new Wandering Monster, Queen Caenedra, along with her miniature. While the Harpies exploit their air superiority by snatching Lightbringers and dragging them out of the dungeon, Sinister Fairies tap the heroes' mana to heal themselves. Queen Caenedra herself is a powerful fairy witch who uses her sorcery to strengthen the defences of her subjects.

The base game Massive Darkness 2: Höllenschlund is required to play this expansion.
