Product Description

Legion IG-Series Assassin Droids - Expansion for Star Wars (EN)

The IG-Series Assassin Droids expansion pack for Star Wars™: Legion includes two unpainted miniatures of the ruthless assassin droids IG-11 and IG-88. The mercenary unit can be used for the armies of the Rebel Alliance and Galactic Empire factions.

IG-11 is known for its ability to defeat multiple individuals with devastating whirlwind attacks. Even when cornered, IG-11's self-destruct mode makes it an unpredictable adversary. IG-88 is a renegade assassin droid with a reputation for ruthlessness. He uses a variety of weapons to take out his targets and is particularly deadly against lone wolves.
