Product Description

A Song of Ice & Fire Clegane Brigands (Brigands of House Clegane), for 2 players, age 14+.

"The Riding Mountain" Gregor Clegane is known for his brutal nature in battle. Likewise, the units of his house are feared for their ruthlessness on the battlefield. The brigands of House Clegane are one such unit. They are not so much concerned with killing their enemies quickly, for it is just as well to leave them with shattered bones and destroyed weapons. As long as the enemy stops fighting, that's all that matters. However, these riders know that they better not spend too long on their opponents.

The unit expansion A Song of Ice & Fire - Clegane Brigands provides House Lannister players with a new light cavalry unit. Thoroughly offensive, they slash enemies with their melee weapons, deal extra damage on the attack and are particularly effective in combat with already battered opponents. However, House Lannister commanders would do well to discourage the enemy from retaliating against these lightly armoured horsemen.

Note: A Song of Ice & Fire - Lannister Starter Set is required to play the expansion.

Caution: Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.
