### Product Description

#### The Witcher Dice Set: Ciri - The Law of Surprise

You can't run from destiny. Inspired by The Witcher franchise, this dice set is dedicated to Cirilla Fiona Elen Riannon, a Surprise Child fate-intertwined with a certain Witcher. The set contains 7 polyhedrons, and a metal coin featuring Ciri's depiction. Each dice has white material with aquamarine engravings. The highest value faces, and coin reverse, are adorned with the School of Cat symbol.

Cirilla Fiona Elen Riannon is the daughter of the Cintrian princess Pavetta and the wandering knight Duny who was cursed. The witcher Geralt saved the unfortunate man's life, reluctantly invoking the Law of Surprise - saying that his reward would be that which Duny already has, but does not know. In this way, the fate of Ciri and Geralt was intertwined even before she was born.

This is who this special dice set in a white and aquamarine color theme is dedicated to, carrying a clear font of digits, cosmic engravings, and the School of the Cat symbol decorating the highest faces. The coin featured in the set also shows this symbol on the reverse, while the obverse is adorned by the side-profile of Ciri's scarred face.

The Witcher is more than a profession or a single character. The Witcher is an entire universe created thanks to the stories of Andrzej Sapkowski, in which choices and motives are never simply black and white. Colorful, full of unique charm, rich in non-standard phenomena, and described with lingual artistry, it later became the basis for video games, comic books, tabletop RPGs, as well as movies and TV series. If you know The Witcher from any of these sources, you know how enthralling this universe is. For us — people who grew up with the stories from the world of The Witcher — the possibility to create dice based on its famous and beloved characters is an honor. We have taken our time to carefully consider all the possibilities of both designs and color themes — now visible to you in the form of the final product. These dice are born from passion, and we're proud that the person to receive them is someone who can appreciate them as much as we do... That someone being you...
