Product Description

A Song of Ice & Fire - Lannister Starter Set, miniatures game, for 2 players, from 14 years.

In the War of the Five Kings, the power of House Lannister is revealed for all to see. Jaime Lannister's legendary blade art means death to any enemy hero who dares to take him on the battlefield as the Mountain crushes enemy legions beneath it. Cersei and Tyrion Lannister plot beyond the battlefield, turning the tide in their opponents' favour by complete surprise. House Lannister's guards and halberdiers are equipped with the finest weapons and armour money can buy, and House Clegane's brigands roam enemy territory, always ready to brutally attack unsuspecting foes. A Lannister always pays his debts, and in the War of the Five Kings, some debts can only be paid in blood!

The A Song of Ice & Fire: Miniatures Game brings epic battles, political intrigue and the iconic characters from George R. R. Martin's bestselling novels to the gaming table. Using detailed and pre-assembled miniatures and movement tableaux, command the armies and heroes of the great houses of Westeros in their battle for the Iron Throne in several unique game modes.

The A Song of Ice & Fire - Lannister Starter Set introduces House Lannister as a single faction to the game world of A Song of Ice & Fire and provides everything you need to assemble a House Lannister army and get playing.
