Product Description

The Witcher Dice Set: Triss - Merigold the Fearless

The battle is not lost yet! Inspired by The Witcher franchise, this dice set is dedicated to Triss Merigold of Maribor — the sorceress known for her amazing bravery in battle. The set contains 7 polyhedral dice, and a metal coin featuring Triss' depiction. Each die is painted to caramel with turquoise engravings. The highest value faces, and coin reverse, share imagery with Triss' pendant.

Triss did not specialize in battle magic, yet she didn't hesitate to use any means necessary to protect the ones she cares about. She always tried to be one step ahead of her adversaries, putting a lot of thought into planning any encounter. At times her vigilance and dauntlessness were the only things between her comrades and certain death.

This is who this special dice set in caramel and turquoise color theme is dedicated to, carrying a clear font of digits, intricate engravings, and the sorceress' medallion decorating the highest faces. The coin featured in the set also shows this symbol on the reverse, while the obverse is adorned by the side-profile of Triss' gentle face.

The Witcher is more than a profession or a single character. The Witcher is an entire universe created thanks to the stories of Andrzej Sapkowski, in which choices and motives are never simply black and white. Colorful, full of unique charm, rich in non-standard phenomena, and described with lingual artistry, it later became the basis for video games, comic books, tabletop RPGs, as well as movies and TV series. If you know The Witcher from any of these sources, you know how enthralling this universe is. For us — people who grew up with the stories from the world of The Witcher — the possibility to create dice based on its famous and beloved characters is an honor. We have taken our time to carefully consider all the possibilities of both designs and color themes — now visible to you in the form of the final product. These dice are born from passion, and we're proud that the person to receive them is someone who can appreciate them as much as we do... That someone being you...
