### Product Description

#### The Witcher Dice Set: Dandelion - Viscount de Lettenhove

Inspired by The Witcher franchise, this dice set is dedicated to Dandelion — a bard familiar with noble lords and ladies alike. The set contains 8 pieces; 7 polyhedral dice, and a metal coin featuring Dandelion's depiction, which acts as a D2. Each die is painted purple with golden engravings. The highest value faces and coin reverse display Dandelion's favored lute.

Dandelion is a widely known personality - both among common people and among the higher-born. Where beautiful ballads alone could not open the door for him, he also showed a considerable talent for diplomacy and politics. More than once it was his flexible language that he owed the salvation or favor of the nobility. For example, in a certain Toussaint, he was officially known as Julian Alfred Pankratz, Viscount de Lettenhove...

This is who this special dice set in purple and gold color theme is dedicated to, with a clear font of digits, engravings stylized to uphold the atmosphere of poetry and music, and the highest dice faces decorated with the symbol of the Lute. The coin attached to the set also shows this symbol on the reverse, while the obverse is ruled by the side-profile of Dandelion's handsome face.

The Witcher is not only a profession, it is not only a character. The Witcher is a whole universe created thanks to the stories of Andrzej Sapkowski, in which the choices and motives are never black and white. Colorful, full of unique charm, rich in non-standard phenomena, and described with lingual artistry, it became the basis for later comic books, video games, tabletop role-playing games, as well as movies and series. If you know any of these sources, you know how addictive this universe is. You understand why for us - people who grew up on stories from the world of The Witcher - it's so important and dignifying that we have the possibility to create dice based on famous and beloved characters from it.

We have long and carefully considered all the possibilities of both designs and color themes - and you are now able to see the final product. This creation is born of passion, and we're proud that the person who will receive them is you. You - someone who can appreciate them as much as we do...
