Product Description

Elvish Beige & Black, Dice Bag

We have a variety of bags prepared especially for your dice. Whether you are a fan of zombies, elves or fighting games, we have something for you!

This bag is for players with a sense of style, who are discerning and know that violence, orcish behaviour and dwarven persona are not good. Besides, they are very inappropriate in high society. If you feel the same way in the games, where only your elegance lights up all the ignorance and rudeness, this bag is for you. It will be a gift to your inner elfin nature.

This is an earth-coloured elven dice bag, made of thick beige fine cotton and printed with noble black ink. The elven rune on both sides is said to bring luck to all your actions and rolls. This pouch is very secure because two strings hold everything you put in it.

Caution. Not suitable for children under 36 months.
