### Product Description

#### Elvish Beige & Black Basic, Dice Bag

We have a variety of bags specially prepared for your dice. Whether you are a fan of zombies, elves or fighting games, we have something for you!

This bag is for players with a sense of style, who are discerning and know that violence, orcish behaviour and dwarven persona are not good. They are also very inappropriate in high society. If you feel the same way in games where only your elegance lights up all the ignorance and rudeness, this bag is for you. It will be a gift to your inner elven nature.

This is a basic elven dice bag, made from fine cotton and printed with classy black ink. Basic dice bags are an inexpensive option recommended for beginners. They are made of thinner fabric and have the string on one side only.

Caution. Not suitable for children under 36 months.

- Material: cotton fabric
- Dimensions: 11 x 12 x 0.5 cm
