Product Description

Ent green & black dice bag

We have a variety of bags specially prepared for your dice. Whether you're a fan of zombies, elves or fighting games, we have something for you!

This dice bag is enchanted with ancient forest magic, imbuing the dice with the power of Mother Earth and her wrath on all of nature's enemies. If you are a true, non-lost son or daughter of the elemental forces and would fight to the last drop of blood to save the forest, glades and all plants, this dice pouch is for you and your elf or forest dice.

This Ent green & black dice bag is made of thick green fine cotton and printed with noble black colour. We have chosen the branch of the ancient tree, the symbol of the Ents. You should be proud to carry their mark, because it is a sign that you truly respect Mother Earth and the ancient wisdom that can be found in the souls of the oldest trees. This is a very safe bag because two strings hold everything you put in it.

Caution. Not suitable for children under 36 months.
