Product Description

COC The Outer Gods Nyarlathotep, Dice Set (7)

The messenger of the Outer Gods, Nyarlathotep walks the Earth serving them. His weapons are deception and propaganda. He has many names, faces and cults all around the globe. This unique set of polyhedral dice has originally been funded through Kickstarter, and now it's available in new colour version to all Mythos fans!

The messenger of the Outer Gods, Nyarlathotep walks the Earth as their servant. He is the soul and mind of otherwise nearly mindless Outer Gods. They can be contacted through him as he knows their needs and desires. He is the first from Old Ones to be met by the cultists and often their last. Call Of Cthulhu The Outer Gods Nyarlathotep Dice Set (7) is Black Pharaoh's support from Q WORKSHOP. Although its main weapon is deception and propaganda, the quality of the red and black dice from this set made of the best material is True and indisputable. We decorated them with carved symbols of the Bloody Tongue and tentacles, so that all sets would share similar design. These are real "cthulhu" dice, worthy of all known and unknown Nyarlathotep avatars. They are to rattle to his glory and subliminally praise the grace of the Old Gods, so that the Black Man would be pleased with his followers.

The Great Old One has many names, faces and cults all around the globe and all other universes. You'll find tributes to the Messenger of Gods in both fantasy and science fiction games. In each of them you can use our dice to defeat madness and monsters. This unique set of polyhedral dice (D4, D6, D8, D10, D12, D20 and D100 percentile) has originally been funded through Kickstarter, and now it's available in new colour version to all Mythos fans! Thanks to this, each of the games backed on Kickstarter can be a great challenge for the enemies (followers in near future) of the Great Old One. Nevertheless, don't forget about the treacherous nature of Nyarlathotep. Are you sure that you're not under his influence right now? Don't you have the impression that one of his Avatars is leading you towards your doom, hidden behind one of the cults or trends? Better buy this set and make a Sanity Roll to recognize the threat.

Attention!Not suitable for children under 3 years due to small parts which may be swallowed. Choking hazard.

- Weight (kg): 0.06
- Material: Plastic
