Pathfinder Agents of Edgwatch Dice Set (7)

Investigate and prevent. Q WORKSHOP and Paizo Inc. proudly present an official 7 piece dice set for Pathfinder Adventure Path: Agents of Edgwatch. The dice background is turquoise, and the digits are painted in a pale-yellow legible font. The highest face is adorned with the Absalom city sigil.

In our life sooner or later comes a time when we need to take matters into our own hands. Doesn't matter if it's we who are wronged, or is it other people that suffer injustice - what matters is that we have the power to change the world around us. Laws and rules can be changed, but as long as they serve and protect the lives and well-being of people, they need to be upheld and defended against perpetrators. It's up to you to answer the call.

Absalom is not a peaceful and quiet city when the world-famous Radiant Festival is at hand. Thieves and killers are lurking in the shadows, back alleys are bursting with violence, evil masterminds are plotting their bold heists and hits. The Edgwatch, obligated to protect the citizens of Absalom, needs new recruits to do the job right - are you up to the task? Or maybe you'll take this mantle outside the official procedures, investigating the threat in your own way?

Q WORKSHOP comes to your aid with a brand new dice, dedicated to the 27th Pathfinder Adventure Path: Agents of Edgwatch. In this beautifully adorned plastic set, licensed by Paizo Inc., you'll find seven turquoise dice with pale-yellow engravings: d4, d6, d8, d10, d00, d12, and d20. Each face is covered with a silhouette of the city watch badge, and a legible digit in its center. The highest face presents the badge in its full glory of the City at the Center of the World sigil. They're exactly what you need to face the dire threats of Absalom criminal underground!
