Product Description

Anna Marie is cursed with an uncontrollable ability through which she absorbs the powers and memories of everyone she touches. Not wanting to hurt anyone, she ran away from home as a teenager. Professor X offered her a place in his school where she could learn to control her powers. Now she fights for justice as a member of the X-Men under the name Rogue.

In the Hero Pack Marvel Champions: The Card Game - Rogue, you'll find Rogue, her 16 hero-specific cards, and a full assortment of Protection Aspect cards that invite you to protect yourself and your allies. This hero pack also includes a modular encounter set with Reavers and an Archfiend set with Mystique.

If you want to fight Magneto and his Brotherhood, the Rogue hero pack is the one for you. It contains a pre-made deck of 40 cards.
