Product Description

As the head of a jewellers' guild, you create majestic jewellery of the highest quality for monarchs and other influential Renaissance figures to increase your prestige and wealth. However, your competition is also very ambitious and it's time to put your skills to the test!

Splendor Duel is inspired by the best-selling Splendor and is designed to be played in pairs. Discover new actions and strategic ways to score victory points. You take turns until one of you fulfils one of the victory conditions.

The player whose turn it is takes chips from the cost of more jewel cards. These bring prestige points and crowns needed to win, as well as special abilities and bonuses that lower the cost of more jewel cards.

To win in this two-player game, you must fulfil one of the three victory conditions shown on the victory tile.
