Product Description

One space adventure, two books, over 150 choices.

The fate of the crew is in your hands! A fantastic science fiction adventure full of surprising twists and turns awaits you. With every decision you make, you dive deeper into the story. Will the crew succeed in returning to Earth? Only you can determine that ...

After the return of the first crew from the 9th planet, the spaceship Galathea takes off to answer the open questions of the mission. A distress call from the Mars colony, risky field missions, rivalry among the astronauts - tricky problems that have to be solved. Every decision influences the further course of the story ...
