Product Description

The Wasteland is in turmoil. Forgotten technologies, strange cults and secrets from the time before the plague are returning and posing new challenges to the survivors of the apocalypse. All the while, everyone - from the war-torn West to the suffering East - yearns for nothing but a moment to breathe. Will you be the ones to make it possible? Will you face unknown threats in the name of humanity? Or will you just take it all for yourselves before the world finally perishes?

It is time to prove your courage in the face of fearsome enemies and unimaginable dangers. Time to show everyone that you are right to call yourselves Waste Knights!

Outback Stories is an expansion for the post-apocalyptic adventure game Waste Knights: Second Edition. It includes all the non-exclusive content from the successful Kickstarter campaign:

- 4 adventures (20-page adventure booklet and 100-page chronicle of the Wastelands)
- 4 Knights with detailed miniatures, character sheets and individual enhancement cards
- 4 vehicles
- Many markers and cards for equipment, enemies, events etc
- New game mechanics allow you to modify vehicles, complete quests and search for legendary locations of the past

Each game is unique because of captivating narratives, exciting stories and strategic challenges and lets you dive deep into the secrets of this world!

- Number: for 1-4 players
- Duration: 45-180 min
- Age: from 14 years
