Product Description

The Sand Skirmishers implement House Martell's principle of agility with a deadly dance of blade and arrows. Their light armour allows them to move at high speed, rivaling the fastest enemy units. On the battlefield, they rain down a rain of arrows on enemies. When locked in a protracted melee, skirmishers can hold their own as well as any other light unit, but it is wiser to bring in support as quickly as possible.

The unit expansion A Song of Ice & Fire - Sand Skirmishers brings a total of twelve miniatures to the popular world of the epic tabletop game. Included are twelve Sand Skirmishers miniatures as well as a unit card and a movement tableau.

The game contains unpainted miniatures.

Caution: A Song of Ice & Fire - Martell starter set is required to play this expansion.

Warning: Not suitable for children under 36 months. Danger of suffocation!
