### Product Description

The Dungeon is ideal for housing a complete card collection. It holds several deck boxes, playmats, accessories and, of course, a huge number of single cards (even protected in bigger toploader sleeves). The closing mechanism is subtle but strong thanks to an ingenious design that keeps the box safely closed even when it is fully loaded. Compatible not only with the rest of the product line but also with most boxes and solutions available on the market.

- Product size (W x D x H): 414 x 199 x 119 mm
- Size of inner compartments (W x D x H): 405 x 89 x 110 mm
- Material: Nexofyber surface + microfiber inner lining
