Product Description

Deep beneath the city of Yharnam lie the twisting tunnels of the Chalice Dungeons, vast underground ruins populated by gruesome beasts and monstrosities. Here, hunters are put to the ultimate test. Arm yourselves and face the challenges that lie ahead! The call to hunt has been sounded. Who will return alive? Chalice Dungeon is a combat-focused expansion for Bloodborne: The Board Game, offering individual standalone hunts instead of the usual campaign. The goal is clear: find and kill the dungeon boss! With a total of five different bosses and several more enemy miniatures, this expansion offers a very high replay appeal and even lets you compete against each other in the new game mode "Hunter against Hunter".

The basic game Bloodborne: The Board Game is required to play.

Caution. Not suitable for children under 36 months.
