Product Description

Taco Cat Goat Cheese Pizza! Sounds absurd - it is! That's exactly the fun of the quick party game from Blue Orange. Thanks to the compact format and simple rules, the card game is also an ideal souvenir.

Taco cat Goat Cheese Pizza: Remember these five terms and also their order, because you have to recite them while you lay down your cards. If the term matches the card, react quickly and strike! The last player to hit their hand on the pile of cards in the middle loses this round and must pick up all their cards. However, the aim is to get rid of all your cards. Is that too easy for you? Never underestimate the reactions of your fellow players, because the speed of the game is determined by you and your group! And if that's too easy for you, the special cards come into play. You have to make special moves when the gorilla, narwhal or marmot is revealed before you hit the deck with your hand. How fast do you think you can get to the centre when you first have to drum your chest like a gorilla? Whoever is the first to run out of cards and then hits the pile the fastest when a match or special card comes up wins.

Caution. Not suitable for children under 3 years due to small parts that can be swallowed, choking hazard!
