Product Description

Marvel Zombies: A Zombicide Game is a cooperative game in which one to six people play as zombified superheroes against game-controlled S.H.I.E.L.D. agents and living superheroes.

Set in the Marvel universe, the miniatures game is based on the core mechanics of the successful Zombicide series.

Your goal is to complete mission objectives, defeat your opponents and satisfy your ravenous appetite! You become stronger as you defeat enemies and devour side characters. But the more dangerous you become, the more forces will oppose you. Your insatiable hunger also strengthens you, but if you don't get something to eat, it will take over your body and mind. Only if you work together can the zombie heroes find the way to their rescue!

Caution. Not suitable for children under 36 months.
