Product Description

The Walrus Clan often hunts in the northern expanses beyond the Wall. Now it takes its hunting experience with the Free People to the south, where it seeks warmer climes and greener pastures. The hunters' balanced harpoons are perfect for spearing both dangerous animals and enemy soldiers. Knowing how to keep their prey at bay, they are nimble and constantly on the move. So they attack their enemies from unexpected directions.

The unit expansion A Song of Ice & Fire - Frozen Shore Hunters brings a total of 13 miniatures to the popular world of the epic tabletop game. Included are a Walrus Clan Chief and twelve Frozen Shore Hunters, as well as a Unit Card, a Reinforcement Card and a Movement Tableau.

To play the expansion, an A Song of Ice & Fire - Free People starter set is required.
