Product Description

A reluctant trio must investigate a mysterious city while battling a demonic entity - a stunning novel set in the Descent universe.

When three different adventurers are hired to investigate the sealing of Thelgrim, the great dwarven city, all three have misgivings. One of them is a wanted criminal and the other two don't want to work together - but with pay like that, it's hard to refuse. When the three of them set off on a secret route to Thelgrim, they have no idea what awaits them there. Terrinoth is in upheaval and new threats lurk in the darkness.

There are 368 pages in the book Descent: Legends of Darkness - The Gates of Thelgrim by Robbie MacNiven.
