Product Description

Just when things are getting better, new disasters appear to ruin your day ...

Face the dangers of dinosaur life with this expansion for up to six people!

In the 5-6 person expansion to the Happy Little Dinosaurs party game, you'll try to avoid 50 new disasters - like killer chickens, deadly tornadoes and bad movies. Two new dinosaur tableaus with matching wooden dinosaur figures allow you to enjoy all these devastating disasters with up to six people. Just make sure you don't take off, because one of the new dinos is a pterodactyl!

In Happy Little Dinosaurs, you turn over a disaster card each round, showing a natural, predatory or emotional disaster. Each of you plays a score card to collect points and escape the disaster. Once again, the dinosaur that survives all this wins the game.

Attention! A basic game of Happy Little Dinosaurs is required to play.

Not suitable for children under 3 years due to small parts which may be swallowed, risk of suffocation!
