Product Description

The Great Split is a drafting game for 2-7 people where everyone trades cards at the same time to amass a magnificent collection of riches over several rounds. At the beginning of each round, you split your cards in two and pass them in an envelope to the left. But you will only get one part back!

But don't worry! While someone else is taking some of your cards, you will also receive an envelope from the right and get to keep some of the cards inside. Keep an eye on the collection of the others to divide your cards in such a way that they take what you intend.... because this way the most valuable loot remains for you!

Caution. Not suitable for children under 36 months.

- Number of players: 2-7
- Game duration: 45 minutes
- Age: from 8 years
