Product Description

The landscape of Dorne consists of an endless sea of dunes. It is all too easy to get lost in the waves of wandering dunes. But the dune vipers are at home here and know every dune, every stone and every grain of sand. With nets and spears they encircle their opponents before they strike the final blow. Together with allies they are unbeatable, but even on their own they can hold their ground for a while.

The unit expansion A Song of Ice & Fire - Dune Vipers brings a total of twelve miniatures to the popular world of the epic tabletop game. Included are a Dune Vipers banner bearer and eleven Dune Vipers, as well as a unit card and a movement tableau.
