### Product Description

The cat romps through the living room in pursuit of the colourful ball of wool. Who will lay out the thread most skilfully and lure the cat to its favourite toy? It all depends on the right bend: You can extend the thread by as many squares as the dice show, but only bend it once. Be careful not to get knotted! Smart games suitable for every occasion in space-saving and environmentally friendly packaging. Attention: not suitable for children under 36 months!
