Product Description

Kubb is a game of skill for 2 - 12 players. Two teams compete against each other. Each team consists of at least one to a maximum of six players. The players of a team try to knock down the opposing wooden blocks, also called Kubbs, with their throwing sticks without hitting the king. Only when all the opposing kubbs have fallen down may they aim at the king. The team that knocks down all the kubbs first and then the king wins. Kubb is best played outdoors on a sufficiently large area of sand, stone or grass.
