Product Description

Mühle is a traditional strategy game for two people. Although Mill is based on simple rules, the game offers a countless number of strategic moves and is therefore interesting for beginners and advanced players alike.

The aim of the game is to form mills, i.e. three of one's own stones in a row. If a player forms a mill, he can capture one of his opponent's stones.

The winner is the player who has captured so many of his opponent's stones that he only has two left, or if the player manages to block the opponent in such a way that he cannot move any more stones.

Caution: Not suitable for children under 3 years due to small parts which may be swallowed! Choking hazard.

- Age recommendation: from 6 years
- Number of players: 2
- Game duration: 10 min
