Product Description

The evil General Grievous terrorises the Republic. His droid army overruns the galaxy and he himself is more than a match for the Jedi in duels. He is a cunning military strategist who has won many victories with brutal tactics and fills his enemies with fear. His tremendous combat skills add to his reputation.

The Hunger for Destruction Squad Pack includes four highly detailed, unpainted miniatures, three command cards, three battle style cards and three unit value cards to create a mission team with General Grievous, the Kraken super tactical droid and two B2 super battle droids for the Star Wars™: Shatterpoint skirmish miniatures game.

General Grievous was trained by Count Dooku himself and wields the lightsabres of his slain enemies with deadly precision. His cybernetic implants further enhance him, making him a key player in the Separatists' fight against the Republic ...
