Product Description

The Century Big Box contains the three titles in the popular Century game series - The Spice Route, Far Eastern Wonders and A New World - along with all the promo items released for these games and the new Golden Deals mini-expansion.

Each game can be played independently, but they can also be combined or played all at once. This creates seven different ways to play.

The Golden Deals expansion consists of transparent cards with effects that allow you to acquire something new and change the cards in the game.

- Number: 2-4 players
- Age: from 8 years
- Duration: 30+ minutes
