Product Description

Turn up the volume in the association game "Disc Cover" and travel through the musical worlds of your friends and family. In each round, you have to choose from four cool record covers the one that best matches the song currently blasting through the speakers. Will you manage to keep the beat together between chaos and harmony?

"Disc Cover" can be played with any playlist and other musical media, automatically creating the perfect party atmosphere at the game table. The imaginative record covers are really something to behold and different game modes (cooperative and competitive) guarantee long playing fun. Every music fan will get their money's worth here!
