Product Description

Grab your friends and fight together as survivors of a zombie invasion in the action-packed Wild West! The zombies are controlled by the game itself using simple rules and a pack of cards. Find weapons, defeat zombies and increase your survivor's adrenaline to reach their full potential. The more zombies you kill, the more zombies appear! Zombicide: Undead or Alive includes rules from Zombicide: Second Edition and new special features such as survivor classes (brawlers, believers, gunslingers or townies) with their own abilities, additional rules for the zombie spawn, a Gatling Gun and even a train! Assemble your dream team from 14 survivors and bring justice to your western town in ten missions on modular map pieces.

Notsuitable for children under 36 months.

- Number: 1-6 players
- Age: 14+ years
