Colour Set Military Aircraft

from **7,57 EUR**

Item no.: 365644
shipping weight: 0.20 kg
Manufacturer: Revell

Product Description

The Military Aircraft paint set is the perfect choice for all fans of modern combat aircraft. With this set, you get six Aqua Color paints in handy 5 ml bottles that have been specially designed for building models in this thematic area.

The set contains the six most commonly needed colours to create authentic and detailed military aircraft models. The paints are all acrylic-based, which means they dry quickly and are easy to mix.

The Military Aircraft paint set is perfect for modellers who have a penchant for modern fighter aircraft and want to meticulously design their model in every detail. Get this set and let your creativity run wild!

Contents:

- White matt
