Product Description

The Bull's Eye Tangram is an exciting game for 2-4 people.

The players play against each other and try to lay the piece given on the task card as quickly as possible. The special feature of the "Bull's Eye" poses an additional challenge. It determines the position of certain pieces right from the start. The players must therefore manage to place the given piece and at the same time keep to the specifications of the "Bull's Eye". Since the 4 Tangram sets of this game only need 4 pieces per set, it is especially suitable for younger players and introduces them to the family of Tangram games with a lot of fun.
