Product Description

A mobile dream. A super sports car that sets standards. Already legendary. When it comes to the Audi R8, similar statements can always be heard. And rightly so. The all-wheel-drive Audi R8, named after the successful Le Mans racing car, offers an impressive look with its all-light metal body alone. The beefy sound of the high-revving V8 engine adds to the enthusiasm for the Audi R8. The agile two-seater accelerates to 100 km/h in 4.6 seconds and reaches a top speed of over 300 km/h. The exceptional vehicle also offers a wealth of innovative technology, including an electronically adjustable chassis thanks to magnetic fluids in the damper system.
