Product Description

Cantaloop Book 3 - Revenge served warm, for 1 player, from 12 years (DE edition).

The interactive adventure book series Cantaloop by author Friedmann Findeisen is a book-game experience of a special kind. In the style of classic "point & click" adventures, a non-linear story is told full of bizarre characters, useless objects and wacky puzzles. Explore the various locations, collect and combine items, talk to all kinds of people and find the solution to the mystery.

Cantaloop Book 3 - Revenge Served Warm picks up directly after the events of Cantaloop Book 2 - A Hatched Plan and finally lets "Hook", Fly and Alice get down to business. In this third and final part of the series, you can even take on different roles and switch between characters. Use the team's unique skills to take well-deserved revenge on the city's biggest crook.
