Product Description

The impressive Kenworth W900 simply has everything that is important for long-distance drivers to get the job done. The Kenworth's imposing design features a double sill enclosed by an aerodynamic roof panel that makes everyone realise that this road machine is second to none.

- A detailed 6-cylinder turbo diesel engine is hidden under the forward-folding bonnet
- Chrome-plated, replica alloy wheels, dual exhaust tips, roof-mounted horns and mirrors with aerials
- Decals with optional stripes or custom designs, Kenworth lettering and number plates
- Cast in white and translucent material, with chrome plated parts and elastic black tyres

- Scale: 1:25
- Age recommendation: 12+
- Number of parts: 115
- Length: 321 mm
